

GLENN

Doing something for money. Money is necessary. Desire is prompted by money. Money is a huge mistake or a force guiding us somewhere. If I don't have the money, you don't have the time. If I have the money, you make kids. Money is power. Love is submission. Life. Sex and a dwarf.

INT. LCD INTERNET WEBCAM CHATROOM BROWSER WINDOW - DAY

Rhythmic vibration of Summer's dildo, buzzing.

Summer reclines on a red satin duvet, framed in a browser viewed over Matthew's shoulders as he masturbates. Her hair falls over her shoulders, blue wings the color of her blue eyes extend from her hips around her breasts. She responds to the Hitachi on her clitoris, moving with the music. A smaller dim image of MATTHEW (screen name, HARRYGOB) as he watches. Summer shudders, exhales and switches off the Hitachi.

LCD INT. SUMMER'S BEDROOM - SAME
